

YOLO FIRE PROTECTION DISTRICT

LEGAL NOTICE

Notice of Public Hearing

NOTICE IS HEREBY GIVEN that a Public Hearing will be held by the Yolo Fire Protection District Board of Commissioners at their meeting on January 3 2023 at the Yolo Fire Station, 37720 Sacramento Street, Yolo CA at 5:30 PM. to consider the following:

Resolution approving the Fire District Capital Improvement Plan and Development Impact Fee Study. The Study concerns the future development of the real property within the Yolo Fire Protection District, and examines the impacts of that development upon the District's need for capital facilities and equipment, the costs of the additional capital facilities and equipment caused by new development, and possible fees upon that new development to mitigate those impacts and pay those costs.

Copies of the Study and all supporting documentation will be available for public inspection at the meeting. Interested parties may also call 662-0566 to obtain a copy of the materials or to arrange an appointment to examine them at the District Office located at the Yolo Fire Station, 37720 Sacramento Street, Yolo CA.

Persons interested should appear at the above public hearing on January 3, 2023 at 5:30 PM in order to make their comments known. Persons who are unable to attend may direct their written comments to Yolo Fire Protection District, P.O. Box 466, Yolo, CA 95697.

Date: December 15, 2022

Steve Weiss, Commissioner
Yolo Fire Protection District
